1. You will come to a screen asking if you want mailing services. If you do not, skip to the next step.
2. Choose envelopes and do a final proof and approval of your cards. Your screen will look like this. Choose next if you are OK with the order.
3. The last screen you come to requires you to choose your shipping options and a chance to change quantity, etc.
4. If you are OK with the totals, then choose "Checkout" and place your order.
