

Renovation of the Soul

Romans 12:2

Stop being conformed in association with the Satanic Academy, but keep on being transformed [μεταμορφόω (*metamorphóō*)] by means of the renovation [ἀνακαίνωσις (*anakaínōsis*) to make different than in the past] of your thought pattern for the purpose of proving what the will of God is, namely, the good [spiritual maturity in the Divine Academy], the well-pleasing [escrow blessing in time to +R], and the complete [escrow blessings in eternity to the resurrection body].
