forgive us our sins, and to cleanse us from all
unrighteousness.**

- Teaching Bible doctrine to interested adults.
- Making known the importance of children's ministry within the local church.
- Praying that God will lead positive young men with the gift of pastor-teacher to the ministry.

7. Is this for you?

“But re: what we are doing - nothing was planned. In our Spiritual Dynamics Series which Max recommended (we are in lesson 1128 out of more than 2000+), it was clearly explained by Pastor Thieme that as we advanced on our spiritual life, the Holy Spirit, without efforts in our parts will made our spiritual gifts clear. God had also promised to His faithful disciples that He will bless us exceedingly and abundantly more than we can ever ask for. Divine works, just like effective prayers came as a result of our spiritual lives..., and that's how it played in our lives.

We came back here in 2004 and we were just taking Bible Doctrine daily and persistently and in 2011 we started our Summer Vacation Classes. We picked some positive kids from these class and sent them to Grace Christian School (Jovy and Rino started this way). As Rino started college 5 years ago, we focus more on helping college students... ... We opened our home to them and make sure they get the guidance, doctrine, food, shelter, tuition and allowance, etc that a Christian homelife provides. Jack without doubt acts as their surrogate father.

To date we had about 8-10 college graduates; some we only helped financially and not staying with us. We intend to continue as God allows and provide the opportunity. We made sure the focus is on the Source, so we kept a low profile and not be known in the school, except by the Guidance Counselor. So really you don't even have to mention our names...

Jack and Linda”
